Welcome from Broomball Australia

Welcome all to Adelaide for the 2023 Broomball Australia Nationals.

As we emerge post pandemic from the biggest disruption our sport has seen it is warming to the heart to see that despite the problems for the main we are all still here and willing to gather yet again to see who is the best in the country.

Disappointing is the loss of the Penrith Rink which I am aware BAWS tried really hard to look at ways to have stay open. Despite that a move to Erina has kept broomball happening for those in NSW along with an invite to run a team if so inclined in the ACT as part of their comp. Clearly it shows the keenness to keep the sport going despite the hurdles faced and I offer personal thanks to those who stood up and found solutions so others could still be involved.

A second rink in Australia, this time in Hobart was also closed down. Not so earth shattering to us 'mainlanders' until factored in was the fact that they were keen to see broomball played in Hobart. I can confirm I am in communication with the Ice sports group in Hobart assisting where I can to see a new facility built there sooner rather than later where we can then take our sport to the southern island.

Broomball globally has opened up and now all regions are back and time will tell where it all goes. What we are keen to promote is that at the end of 2024 internationally we shall all gather in a new location for the IFBA World Broomball Championships, this time in Angers, France. I can personally attest to this as a wonderful area to visit and I am aware that there are those here in Australia who have waited a long time for such a location. Start saving

Back to the now.

BASA will put on a great tournament and I am confident all will have a great time here in the city of Adelaide. I thank you all for the time, energy, dedication and desire in helping make the event happen.

I wish all of you a safe and enjoyable tournament as it is the sport that is the big winner that the champions will get to enjoy just that little bit more.

2023 Broomball Australia National
Championships | Adelaide, South Australia

Welcome from Broomball Association of SA

Hi everyone! Welcome to this year's National Broomball Tournament. We are excited to host this year's event and looking forward to seeing you all out on the ice and around the town. I would like to thank everyone that has travelled from interstate to attend and to all players having their first crack at a Nationals, representing their State/Territory. This event is not possible without our States/Territories working together as a community to make it happen.

This year we have a fully independent team of referees that are taking care of the games which is something we have never had before. Yay no duties! We welcome Don Godmaire our favourite Can-Aussie. I think he likes our beer better.... Must be why he keep returning.

We would like to thank the Ice Arena Thebarton for hosting us and accommodating our needs for the tournament.

I would like to personally thank my Nationals Committee who have spent a lot of time and energy into making this event possible and delivering the goods.

We hope everyone plays within the spirit of game and enjoys themselves on and off the ice. Have the absolute best time!

Kate Irvine
President
Broomball Association of SA

Tournament rules

We are playing under the IFBA rules with the following modifications

Game time

Games will be 15min halves stop time

Half time break will be 2 minutes.

Penalty box

Will be located on the team player bench side of the ice, closest to half way line near the doors

Finals

If scores are equal at the end of full time

- 1 overtime period of 5 minutes stop time
- 4 on 4 including a goal keeper

If scores are still equal, then penalty shootouts

- 3 shooters only until there is a clear winner.

Post game

Captains need to select 1 MVP vote from the opposing team to be given to the time box recorders as soon as possible after the game finishes.
